Re: U.S. Patent Application No. 10/579,611
Based on PCT/US2004/038741
HEALTHY PLEASURABLE INHALATION DEVICE

Dear Sirs:

The above US national application was filed at the PTO on May 17, 2006 as shown by the enclosed copy of the postcard receipt. To date I have not received any official filing receipt or notice to file missing parts (for the Declaration). Only the postcard receipt has been received.

From prior experience the filing receipt and notice appear to be long overdue. The application number is "10" series which to me appears suspicious, since I believe the PTO was well into the "11" series at the date of filing (May 17, 2006). Please let me know of the status of the application by mail, fax or email, or by phone after January 29, 2007.

Very truly yours,

James M. Deimen
